FEBRUARY EDITION

## A Year to Celebrate!

At the start of the year, we sent a 2022 calendar to all our owners. Now, we would like your pictures of the park to feature in our 2023 calendar. Post your pictures of Woodland on our Facebook page or tag us in your Instagram posts. Every month, we will choose the best picture to feature in next year's calendar. The owner will also receive £30.00 worth of vouchers to spend in the bar and restaurant!

**The park reopens on Friday 11<sup>th</sup> February**

### Woodland Holiday Park 50th Anniversary

2022 marks our 50th anniversary and we are celebrating this milestone with a number of events throughout the year. A special beer brewed for the occasion will be launched in April and we will be opening our new Jubilee Memorial Garden. The garden will honour the memory of our founding directors, Edward and Jill Harrison, and is designed to offer a tranquil place to relax and reflect.

Our kitchen has just undergone a major refurbishment ready for the 2022 season, we have appointed a new kitchen team including our head chef, Ben, as well as Peter our Sous Chef, who joined us on 17th January.

They have been getting a feel for their new workstation along with preparing a new menu for you launching at the beginning of the season. To give our team a rest we have decided to bring back the food vans one weekend every four. Please see the Spring outdoor catering schedule below. Visit our website for the full list and don't forget to book your tables early!

## Food Van – Dates for your diary

- Friday 4th March** Currylicious 4–8pm
- Saturday 5th March** Chef Norgate Texmex Duo 4–8pm

## Loyalty Card

We are introducing a tea and coffee loyalty scheme – in addition to your normal points, enjoy 9 teas/coffees and have the 10th free!

**Collect loyalty cards from the bar and restaurant team.**

## On the Farm

Currently the farm is in a relatively quiet period, we are split grading our potato seed ready for planting which will start in March/April. We have 10,000 tons from the 2021 potato crop in store ready to go to our customers Kettle Crisps, Lamb Weston for McDonald's Chips and Bartlett's for rooster potato. We are also currently lifting sugar beet for British Sugar. We are also preparing fields ready to drill our Spring crops.

January/February is usually a period when we are audited by Red Tractor to make sure our products are compliant to sell to the supermarkets.

Muntjac deer

## Winter Wildlife

With the trees stripped bare of leaves and the park quiet during our shutdown, spotting animals becomes easier. The muntjac deer was introduced into the UK from China in the 20th century. A very small, stocky deer, the muntjac deer is about the same size as a medium dog. It is gingery-brown, with a pale underside, males have darker stripes in their face, and small, single-pointed antlers.

## East of England Tourism Awards

We are pleased to have been short-listed as a finalist in the East of England Tourism Awards category for *Ethical, Responsible and Sustainable Tourism*. The Woodland Environment plan shows our commitment to improving our impact on nature with tree planting, wildlife sustainability and recycling initiatives. Our ecological vision is incorporated into The Jubilee Memorial Garden with plans for an insect-friendly wildflower meadow.

We are proud of our achievements so far, which include planting over 1,400 trees in 2021, installing 100 bird and bat boxes, and introducing recycling bins throughout the park. You can read more about how we are helping the environment on our website.

## Meet the Team

Peter joined us about eight weeks ago and it's like he's always been here, fitting in with the team and bringing a great fresh perspective to our brand. Peter has lived in Norfolk all of his life. He is married and has two beautiful children who love to use the pool here at TLC. In Peter's spare time, he coaches his son's football team and is currently studying to become a personal trainer.
